### Cancellations and Refunds

The school must refund all money paid if the applicant is not accepted. This includes instances where a starting class is canceled by the school.

1. The school must refund all money paid if the applicant cancels within five business days (excluding Sundays and holidays) after the day the contract is signed or an initial payment is made, as long as the applicant has not begun training.
2. The school may retain an established registration fee equal to ten percent of the total tuition cost, or one hundred dollars, whichever is less, if the applicant cancels after the fifth business day after signing the contract or making an initial payment. A “registration fee” is any fee charged by a school to process student applications and establish a student record system.
3. If training is terminated after the student enters classes, the school may retain the registration fee established under (c) of this subsection, plus a percentage of the total tuition as described in the following table.
4. When calculating refunds, the official date of a student’s termination is the last day of recorded attendance:
  - (a) When the school receives notice of the student’s intention to discontinue the training program; or,
  - (b) When the student is terminated for a violation of a published school policy which provides for termination; or,
  - (c) When a student, without notice, fails to attend classes for thirty calendar days.
5. All refunds must be paid within thirty calendar days of the student’s official termination date.

### Refund Policy

1. Within five days of receipt of the enrollment agreement, a student may withdraw and be refunded all money paid.
2. After five days of receipt of the enrollment agreement, but before the program starts, a student may withdraw and receive all tuition paid, except the \$100 registration fee.

3. If a student withdraws after starting the program, the refund will be calculated according to the following table:

<u>If the student completes this much of the training:</u>	<u>The student will be refunded this percentage of their total tuition</u>
One week or up to 10%, whichever is less	90% (minus \$100 registration fee)
More than one week or 10% (whichever is less), but not more than 25%	75% (minus \$100 registration fee)
25% through 50%	50% (minus \$100 registration fee)
50% or more	No Refund

4. Deposits and fees cannot be transferred to any other programs at the College of Purna Yoga, or Yoga Centers.

## Agreement is Binding

This agreement will be binding only when it has been fully completed, signed, and dated by the student and an authorized representative of the school prior to the time instruction begins.

## Changes in the Agreement

Any changes in the agreement will not be binding on either the student or the school unless such changes are acknowledged in writing by an authorized representative of the school and by the student or the student's parent or guardian if he/she is a minor.

## Effective Date of Acceptance

I certify that I have read and understand the cancellation and refund policy and the complaint procedure; I have received a copy of the school catalog or brochure; and I am entitled to an exact copy of this Enrollment Agreement, school catalog, and any other papers I sign. I hereby agree to abide by the conditions set forth herein.

## Discontinued Programs

If the school discontinues instruction in any program after students enter training, including circumstances where the school changes its location, students must be notified in writing of such events and are entitled to a pro-rata refund of all tuition and fees paid unless comparable training is arranged for by the school and agreed upon, in writing, by the student. A written request for such a refund must be made within 90 days from the date the program was discontinued or relocated and the refund must be paid within 30 days after receipt of such a request.

## Termination by the School

A student who fails to maintain satisfactory progress, violates safety regulations, interferes with other students' work, is disruptive, obscene, under the influence of alcohol or drugs, violates the intentions of the yamas and niyamas, or does not make timely tuition payments, is subject to immediate termination.

## Cancellation of Classes

The school reserves the right to cancel a starting class if the number of students enrolling is insufficient. Such a cancellation will be considered a rejection by the school and will entitle the student to a full refund of all money paid.
